

REFLECTION

Think about your solution, did it
do what you wanted to do?

Name:

Class:

Date:

1. What was the problem you were trying to solve?

2. What was your solution?

3. What did you learn? (*Was is something about why waste happens? Something to help you create your solution?*)

4. What ideas:

WORKED

DIDN'T WORK

5. How can you use this knowledge in the future?
